

Dodd & Associates Firearms Training Tennessee Handgun Safety Course

COURSE OVERVIEW

COST \$75.00 **PREREQUISITES**

This course takes the novice through the steps needed to meet the requirements for a TN HANDGUN CARRY PERMIT. The largest portion of time is spent in the classroom with videos, lecture, and discussion. There is a written test on which a score of 70% or better is required to pass. The test is multiple choice and true/false and covers basic, common sense firearms safety and handling. There will be a shooting score of 70% as well.

None

A few of the critical range elements included in the class:
