Tactical Shotgun Courses

COURSE OVERVIEW

COST \$150

**PREREQUISITES:
Basic Shotgun Course**

This course is designed for the individual with primary focus on use of the shotgun in an operational/defensive status. Tactical shotgun is directed towards developing tactical shooting skills and understanding the multiple functions the shotgun has in a real world environment. In this 16 hour course the student will be instructed in:

Class Limited to 9 Students

REQUIRED EQUIPMENT:

- Shotgun characteristics and accessories as well as different carry/sling techniques.
- To effectively and efficiently mount the gun from high and low ready positions as well as perform quick and efficient reloads and Ammunition Change-over drills.
- Utilize Recoil Management during a multitude of drills involving multiple shots on multiple targets from static, 90 and 180 degree facing movements.
- Learn to handle your shotgun with extreme confidence while shooting adverse angles, shooting on the move.
- Shooting the shotgun in a variety of positions and transition to those positions under strict time requirements utilizing different types of cover and concealment.
- Progress to shooting hand only pistol shooting to enable you to effectively transition to your secondary weapon.

- Safe and serviceable: handgun, serviceable holster, 3 reloading devices (speed loaders/magazines) shotgun, preferably no single barrel shotgun-unless that is all you have! Shotgun with sling will be very beneficial.
- 100 rounds pistol ammo
- 100 rounds of skeet load, low brass is ok
- 10 Rounds of slugs
- 25 Rounds of Buckshot
- Hearing Protection and Shooting Glasses are MANDATORY
- Knee and elbow pads are recommended.
